### **KING ROB'S REGAL REMARKS**

Fellow Lions,

The Corona Pandemic has us pretty much shut down as a club! But we Lions know how to step up and serve!

Times like this remind us how great our country really is, and how important our Lions organization is to our country and community. Let's all put our heads and hearts together and I ask our members:

Do you know anyone that may be in immediate need of help that you or our club can assist?

Our thoughts and prayers are with everyone affected by this Pandemic.

Rob
